MP 101 - Input Data for Selected Items of Equipment  
(ORR Project 0.7)

1. We are attaching the data requested by WSEG per their letter 22 October 1952 to the AD/ORR. A representative of WSEG has called at this Division, has reviewed this material and indicated that this is exactly the data they want.

2. I am also attaching a copy of the letter to Colonel C. G. Dodge, Executive Assistant of the WSEG, prepared for the signature of Mr. Robert Amory. This letter is to be transmitted with the data. This completes our part of the transaction.
